RECONCILED DIVERSITY

A few years ago, during Rome's quiet summer, Pope Francis took a day off to visit privately with some old friends, whose identity took Catholic Italy by surprise: Evangelical Protestants. They welcomed Francis to their Pentecostal Church of Reconciliation, where Francis asked pardon for Catholic persecutions and celebrated the Holy Spirit's "pentecostal work." Unlike Satan, declared Francis, who creates division among God's children, the Holy Spirit creates a diversity rich and beautiful. And unity; not uniformity, Francis specified, but unity in diversity. Francis named the Spirit's gift "reconciled diversity." Pentecost's rich treasury of scriptural readings, for Saturday's vigil and Sunday's morning liturgy, traces the Holy Spirit's work from creation's beginning, through Jesus' resurrection, into the church's earliest days, now into our days. Kindled in our hearts, the Spirit's gentle fire is ours to share generously, even with those most strikingly different from us. All hearts are Spirit-warmed by reconciled diversity.

DIVERSIDAD RECONCILIADA

Hace algunos años, durante un verano tranquilo en Roma, el Papa Francisco tomó un día de descanso para pasar un tiempo en privado con algunos viejos amigos, cuyas identidades tomaron por sorpresa a los católicos italianos: protestantes evangélicos. Ellos dieron la bienvenida a Francisco a su iglesia pentecostal de la reconciliación, donde Francisco pidió perdón por las persecuciones católicas y celebró "la obra pentecostal" del Espíritu Santo. Francisco declaró que Satanás crea división en medio de los hijos de Dios, pero el Espíritu Santo crea una diversidad rica y hermosa.

Y unidad, pero no uniformidad, Francisco especificó, sino unidad en la diversidad. Francisco nombró el don del Espíritu Santo "diversidad reconciliada". El rico tesoro de Pentecostés de las lecturas de las Escrituras, para la vigilia del sábado y la liturgia del domingo por la mañana, rastrea la obra del Espíritu Santo desde el comienzo de la creación, mediante la resurrección de Jesús, hacia los primeros días de la Iglesia, ahora en nuestros días. Encerrados en nuestros corazones, el fuego gentil del Espíritu es nuestro para compartir generosamente, incluso con aquellos que son notablemente diferentes a nosotros. Todos los corazones son estimulados por la diversidad reconciliada.

TREASURES FROM OUR TRADITION

Today we are at the fiftieth day of the Easter celebration: seven weeks of seven days, a week of weeks, now culminating in a festival fiftieth day. While the liturgical color of the Easter season is gold, on this last day we have red. For the first thousand years of the church, there were no firm rules for using colors. Only wealthy churches could afford a full array of colors, and most places used the best vestments, no matter the color, for the greatest feasts. The Church spelled out an exact plan for color, including red for Pentecost, only in 1570, but local differences held on until the 1800s.

Color experts tell us that red is a hot color, best used for fast-paced, upbeat, active experiences. It is hard to be neutral before red, as any matador will tell you. It invites commitment, draws you in. It is a stimulating color, engaging the eye, stirring hunger. It is the most fitting color for this day when we celebrate the descent of the Holy Spirit into our lives, a dynamic presence overturning neutrality in favor of passion and commitment.

TRADICIONES DE NUESTRA FE

Hoy estamos en el quincuagésimo día de la celebración de la Pascua: siete semanas de siete días, una semana de semanas, que ahora culminan en un festival de cincuenta días. Mientras que el color litúrgico de la temporada de Pascua es dorado, en este último día tenemos rojo. Durante los primeros mil años de la iglesia, no había reglas firmes para usar colores. Solo las iglesias ricas podían permitirse una gama completa de colores, y la mayoría de los lugares usaban las mejores vestimentas, sin importar el color, para las mejores fiestas. La Iglesia definió un plan exacto para el color, incluido el rojo para Pentecostés, solo en 1570, pero las diferencias locales se mantuvieron hasta el siglo XIX. Los expertos en color nos dicen que el rojo es un color intenso, que se utiliza mejor para experiencias activas de ritmo acelerado y optimista. Es difícil ser neutral antes del rojo, como cualquier matador te dirá. Invita al compromiso, te atrae. Es un color estimulante, atrae la vista y agita el hambre. Es el color más apropiado para este día cuando celebramos el descenso del Espíritu Santo en nuestras vidas, una presencia dinámica que derriba la neutralidad a favor de la pasión y el compromiso.
