STRENGTH AGAINST TEMPTATION

The first Sunday of the season of Lent always includes a Gospel account of the temptation of the Lord Jesus in the in our own gardens of delight as well as the deserts of our lives. desert by the devil. This year, the story is set against the backdrop of the first reading from Genesis, which recounts the very first temptation by the devil. That story is set in a garden of delight. The Gospel story is set in the desert. As believers, we know that temptation comes our way As Lent begins, our attention is drawn to that temptation within each of us to become like God—we want control, power, and answers to all of life's difficult questions. As communities of faith, we are given this season of repentance so that we can join our hearts with others on the difficult journey of conversion. We look to God and to one another for strength against temptation.

FORTALEZA ANTE LA TENTACIÓN

El primer domingo del tiempo de Cuaresma siempre incluye el relato evangélico de la tentación del Señor Jesús en el desierto por el diablo. Este año tiene como trasfondo la primera lectura de Génesis, en la que se narra la primera tentación del diablo que ocurre en un jardín de delicias. El relato del Evangelio transcurre en el desierto. Los creyentes sabemos que la tentación viene tanto en nuestros propios jardines de delicias como en los desiertos de nuestra vida. La Cuaresma comienza, y nuestra atención se dirige a esa tentación dentro de nosotros de hacernos como Dios —queremos control, poder y respuesta a todas las difíciles preguntas de la vida. A nuestras comunidades de fe se les ofrece este tiempo de arrepentimiento para que podamos unir nuestro corazón al de otros en el difícil camino de la conversión. Nos volvemos a Dios y hacia los demás buscando fortaleza ante la tentación

Since 2001, Stroke Scan has provided low cost, painless ultrasound screenings for the early detection and prevention of Stroke, (AAA) Abdominal aorta aneurysm, and (PAD) Peripheral artery disease at over 3000 churches, businesses and school districts across the US. They have been doing this at our parish for 4 years., Mark your calendar.

March 5th

We provide ultrasound screenings at a very low cost. One cannot simply walk into a doctor's office and request to "take a peek" inside. What we look for would be missed by a routine physical.

STROKE SCAN, INC.
 "Prevention is Key to Quality Health"

Desde 2001, Stroke Scan ha realizado exámenes de ultrasonido de bajo costo e indoloros para la detección y prevención tempranas de accidentes cerebrovasculares, aneurisma de aorta abdominal (AAA) y enfermedad arterial periférica (PAD) en más de 3000 iglesias, empresas y distritos escolares de los EE. UU. Han estado haciendo esto en nuestra parroquia durante 4 años., Marque su calendario.

5 de marzo

Ofrecemos exámenes de ultrasonido a un costo muy bajo. Uno no puede simplemente entrar al consultorio de un médico y solicitar "echar un vistazo" adentro. Lo que buscamos sería extrañado por una rutina física.
